

## To do – 7EE – week 6

Hey members of the English E-course, we hope that you're still fine and not too bored. We're quite optimistic that you spend your time reading books, doing homework, helping in the house and doing other stuff you've probably never done before... 😊. Anyway, the good news is...here's work for you!

### 1. Reading: Liverpool and the Titanic (book p 121)

- a. Read the text carefully.
- b. Look up all the unknown words.
- c. Copy and answer the following questions:

What was the Titanic?

Who was the owner of the Titanic?

What did White Star Line want, when they made plans for the Titanic?

What did people think about the ship?

When did the Titanic leave England?

When did the big accident happen?

Considering the lifeboats – what was the problem?

- d. Do the task in the yellow box.

### 2. Flipped classroom (Prepare at home – talk about your result at school – *whenever that will be...*)

- a. Copy and learn the words for Unit 4 – Scotland is different (pp162-163: Scotland → help yourselves
- b. Look at pages 68 and 69 and do the tasks 1 and 2. (As you can't work in groups prepare A, B, C (dark blue boxes) on your own.
- c. Look at and read the text file on pages 122-123. Choose one topic
  - Geography,
  - History,
  - Life
  - The Loch Ness Monster

and prepare a short talk (written form).
